Dear Ms Moran:

We request a written 60 day extension to the April 11, 1994 deadline submission for the Site Characterization Report at the Wash Rack, LARC 60 Area, Fort Story, Virginia (DEI Tracking Number: PC 94-2275).

An extension is needed to complete the field work and write the report. The weather, site conditions, and ongoing daily activities at the site have delayed the work. If you have any questions, please contact Mr Dan Musel at (804) 378-4123.

Sincerely,

Stephen A. McCall

Natural Resources Division
